## Travelling towards Felixstowe on the A14

At the Port of Felixstowe roundabout follow the A154 towards Felixstowe town centre.

Go straight across the next roundabout and at the second roundabout take a right into Beatrice Avenue.

Next roundabout take a left, into High Road East.

Stay on this road until you see the Spar mini market on your left and Brackenbury Sports Centre on your right.

Continue about 50 yards and on your right you will see a turning for Maybush Lane.

Follow Maybush Lane towards the seafront. The Chapel entrance is on the right (semi-blind) just before the railing leading to the seafront. Exercise extreme care when turning.

The Chapel is at the top of lane, please drive slowly.
